PROMOTERS OF ENVIRONMENTAL TECHNOLOGIES & ENERGY RESOURCES

Location: Chinnakulandai Main Street, Madumanagar, Perambur, Chennai - 600011

- Deals in domestic water treatment plant, industrial water treatment plant, bio gas plants, solar water heaters, indoor solar lights and outdoor solar lights.

Website: <http://www.indiamart.com/company/2928255/>

CLOSED LOOP SYSTEMS

Location: Egmore, 600 008

- Provides turnkey solutions for producing power, thermal energy and transportation fuels, using biomass as feedstock.
- They use cutting edge and proven technologies in Bio-methanation, Biomass Pyrolysis and Biomass Gasification for achieving these primary objectives.

Website: <http://www.closedloopsystem.com/>

ACCLAIM TECHNOLOGY SERVICES INDIA PVT LTD

Location: Alwarpet, 600018

- Provides total turnkey solutions in renewable, green and clean energy integrating various technologies – Gasification, Pyrolysis, Combustion, Biomethanation and Solar Thermal.

Website: <http://www.acclaimcleanenergy.com>

B-SUSTAIN ENERGY PROJECTS PVT LTD

Location: Arumbakkam, 600106

- B-Sustain Energy projects Pvt Ltd., is engaged in quality manufacturing of Biogas plants, Biogas bottling Plants, Biomass gasifiers and Carbonizer for charcoal production.
