# India Bioplastics Summit 2017

India's First Ever Summit on Bioplastics & Sustainable Packaging  
The Chancery Hotel, Bengaluru, Nov 24 & 25

India Bioplastics Summit, the first ever conference in India for bioplastics and bio-based packaging, brings you a star studded two days at Bengaluru where the Who's Who of bioplastics & bio-packaging will be present.

## The Who's Who of Bioplastics at IBS 2017

Global Bioplastics Solution Providers, Industry Experts, Scientists & Technical Professionals, Prominent End Users, Support Sectors such as Moulding & Engineering.

The top 3 bioplastics companies in the world – NatureWorks, BASF & Total Corbion – will be presenting their latest solutions.

## Key Themes @ IBS 2017

- Strategic Bioplastics Market Overview
- Applications & End Uses
- Bioplastics Technology & Properties
- Emerging Technologies & Solutions
- Other Emerging Plastics Alternatives
- Strategic Bioplastics Market Overview
- Applications & End Uses
- Bioplastics Technology & Properties
- Emerging Technologies & Solutions
- Other Emerging Plastics Alternatives

## IBS 2017 - Stats at a Glance

- **Total Delegates:** 150
- **Total Expert Speakers & Presenters:** 30
- **Total Number of Companies Present:** 110
- **Industry Sectors Represented:** Plastics & Packaging | E-commerce & Retail | Biotech & Pharma | Chemicals | Foods & Beverages | Research & Educational Institutes | Oil & Energy | NGOs
- **Total # of Expert Sessions:** 10
- **Other Highlights:** Demos of bioplastic products, focused networking

## Top Global & Indian Companies & Organizations @ IBS 2017

1. **Amazon** – World's #1 E-commerce firm
2. **Ancor** – world's leading packaging company, with a focus on responsible and sustainable packaging
3. **BASF** – World's largest chemical company
4. **Big Basket** – India's leading online grocery store
5. **Biocon** – India's leading biotech firm
6. **Coca-Cola** – World's leading beverages company
7. **Corbion (Total Corbion)** – Corbion is a top 3 global firm in bioplastics, part of Total, world's 4th largest energy company
8. **Dow Chemicals** – Global leader in specialty chemicals
9. **Godrej** – India's leading business conglomerate
10. **Haldirams** – India's leading foods and snacks company
11. **Indian Institute of Science, Bengaluru** – India's leading institute for science and engineering research
12. **Indian Institutes of Technology, Madras & Guwahati** – IITs are India's premier engineering educational institutes
13. **Indian Institute of Packaging (IIP)** – National apex body for India's packaging industry
14. **Indian Plastics Institute (IPI)** – India's leading resource for plastics technical information
15. **ITC** – Leading Indian business conglomerate
16. **Jindal Polyfilms** – India's leading flexible packaging solutions firm
17. **Madras Institute of Technology** – a leading technical and engineering institute from Chennai
18. **Natur-Tec** – A leader in bio-based and compostable plastics
19. **Pidilite** – India's #1 adhesives manufacturer
20. **Reliance** – India's largest private sector firm
21. **Shanta Biotechnics** – India's leading biotech firm
22. **Shell** – Europe's largest energy firm and the world's sixth largest company across all categories
23. **Tata Chemicals** – a leading Indian firm in chemicals and crop nutrition
24. **UFlex** – A leader in India's packaging sector

## Other Firms at IBS 2017

**A** - Aakar Innovations | Astute Biotech  
**B** - Bioxgreen | B S Gudi & Co | Biocomposites India  
**C** - CBPST | Center for Packaging Innovation  
**D** - Dailydump | DCP Food Shoppe  
**E** - Earthsoul | Easy Flux | Easy Plastics | Ecoware | Enviro Waste Management | ERRL  
**F** - First Skill Green | Futura Polymer Industries  
**G** - Green Lanka Eco Science & Technologies | Greenbug  
**H** - Heritage Inns | Hind Eco | Hindustan Unilever  
**I** - Institute of Wood Science & Technology | Indu Multipack Industries | Innova Flexipack  
**J** - Jayanti Chemical Tech | Jayjee Foods | Jubilant Foodworks  
**K** - Krupa Plastic Industries | KT Packaging Innovations  
**L** - Labels & Prints | Latheef Plastics  
**M** - Mainetti India | Matel Flexipack | MTC Polymers | MTR Foods  
**N** - Niti Enterprises | Niyati Foundation | Next Era Innovations | Nous Nanocarbons  
**O** - Oriental Foods | Opulent Polymers  
**P** - Pappco | Perigreen | Plastobag | Poly Pack Industries  
**R** - Regreen Venture | RECL | RM Biz Solutions | Ruchi Foods  
**S** - Sai Pet Preforms | Samriddhi foundation | Saahas Zero Waste | Saveglobe | SKYi Composites Pvt. Ltd. | Specialite | Sri Maheswari Trading Company | Star Plastics | Stump Jump Foundation | Surbhi Industries Limited  
**T** - Tarachandra Engineering | Tastee Oils | Texcel Engineers | Tonginis | Truegreen | TTW Industries  
**U** - Ultra India Engineering  
**V** - Vasudha Greenworks | Victory Cosmetics  
**W** - Wimwi Foods  
**Y** - YesYes Polymers & Plastics  
**Z** - Zytech Moulds and Engineers
